

Dear ECP families,

Box-Tops Campaign – During the month of October we are having a Box Tops for Education competition! The great thing about Box Tops is they can be found in food or house items that you already purchase on an everyday basis. You may send your Box Tops collections in an envelope or Ziploc bag with your child to hand to their teachers. The homeroom with the most Box Tops collected by October 27th will earn a free dress day! Support Endeavor and help your child win the competition!

Reminders about Halloween – As we approach the end of October, many families have begun to ask about our procedures regarding candy and treats for students to share. We ask that you please do not send any candy or treats with your child. While we do not allow students to dress up for Halloween, we will be celebrating Fall Spirit Week during the last week of October and students will be able to dress up as a book character or a teacher during that week. We will be sharing further details about Fall Spirit Week in an upcoming newsletter.

Student Safety – A reminder that arrival doors open at 7:15 a.m. every morning. Please be advised there is no supervision of students before this time, as all teachers and staff are preparing for the day and participate in morning huddles. For dismissal, there is dedicated staff stationed along Soto Street and near the alley to help monitor students leaving school safely and help direct traffic. We are taking proactive measures to ensure student safety but need your help before school and after school. If you see anything happening during arrival or dismissal times, please contact the office immediately so that we can follow up accordingly.

Parent Nominations Forms – Attached you will find two separate handouts with information on our Advisory School Council (ASC) and English Language Committee (ELAC). If you are interested and wish to participate in these committees, please return the Nomination Forms by Tuesday, October 10th.

Ribbon Cutting Ceremony – Don't forget to come join us for our Ribbon Cutting Ceremony on Saturday, October 21st from 10:00 a.m. to 12:00 p.m. The event is free and all are welcome to attend. Please return the tear-off at the bottom of this page to let us know if you are planning on attending and how many people you will bring to celebrate! If you are interested in volunteering, please contact Ms. Lemire at (323) 836-2594.

Please don't hesitate to contact your child's teachers or our office with any questions, comments, suggestions, or concerns.

Sincerely,

Dr. Rosie Carlson
Principal

Edward Morris
Executive Director

Endeavor College Preparatory Charter School prepares our students with the academic skills, character traits, and intellectual discipline to excel as leaders in high school, college, and their community.

ECP scholars working together.
