

Dear ECP families,

**No School** – As a reminder, there will be no school this Monday, October 2<sup>nd</sup> for students, as teachers and staff will be participating in a full day of Professional Development.

**CAASPP Results for State Testing** – Last spring, students in 3<sup>rd</sup> – 8<sup>th</sup> grade, took the California Assessment of Student Performance and Progress (CAASPP) tests in ELA and Math. The CAASPP assessments are designed to assess student performance based on the Common Core Standards. In addition, students in 5<sup>th</sup> and 8<sup>th</sup> grade also took the new California Science Tests. Today, you are receiving a Student Score Report with your child's scores. If you have any questions about these reports, please contact our office.

**ECP Day at Casa 0101** – CASA 0101 Theater in Boyle Heights, in association with the San Diego Rep, are presenting *A Weekend with Pablo Picasso*, a one-man show written and performed by Herbert Siguenza of Culture Clash. They have extended a special invitation to ECP families for the 3 pm. show on Saturday, October 7<sup>th</sup>. Tickets are offered to Endeavor families at a discounted price - \$20 for adults and \$15 for children. You may use the discount code "ecpstudents" or "ecpparents" to purchase discounted tickets. If you can't join us on October 7, the discount codes are valid for any performance this weekend or next. The show is recommended for audiences 12 years old and older and has a run time of about 1 hour and 30 minutes. Doors open one hour before show-time. For more information and to purchase tickets, visit <http://www.casa0101.org/shows/a-weekend-with-pablo-picasso>. We hope to see you there for this educational and entertaining experience in our community!

**School-Wide Complaint Procedures & Section 504 Designee** – To address your concerns at Endeavor, first talk with your child's teacher (if it's about something happening in class) or our office team (if it's about a school-wide policy). If that conversation does not resolve the issue, please reach out to the Director of Instruction for your child's academy. If that still doesn't resolve it, contact the office to schedule a time to speak with the principal. The final escalation would be to address ECP's Board of Directors. It is very rare for a concern to escalate to this point, but we wanted you to be aware of the process. In addition, as stated on page 38 of our Student and Family Handbook, Zallury Almaraz – our Director of Operations, is the designated staff member that will provide a prompt and equitable resolution to any complaint made by an employee, student, or community member alleging discrimination under Title IX, Section 504. Also included is information about Special Education and 504 Plans, which are distributed at the beginning of each school year to all families within LAUSD. Our school's 504 plan designee is Ms. Lauren Harwood.

Please don't hesitate to contact your child's teachers or our office with any questions, comments, suggestions, or concerns.

Sincerely,

*Rosie Carlson*      *Edward Morris*
