

Dear ECP families,

**No School** – As a reminder, there will be no school this upcoming Monday, September 18<sup>th</sup> for students, as teachers and staff will be participating in a full day of Professional Development.

**Cafecito** – We are excited for our first Cafecito of the year! Cafecito's are informal meetings with our leadership team to see what's happening at our school. You can expect to meet members of our Team and Family and learn about opportunities for parent involvement.

**Picture Day** – Picture day will be Wednesday, September 20<sup>th</sup> for students in grades TK through 3<sup>rd</sup> and Thursday, September 21<sup>st</sup> for students in grades 4<sup>th</sup> through 8<sup>th</sup>. Students must come in their complete ECP uniform. For students who have not yet earned their ECP polo shirt, we will have loaner shirts that they may put on for the photo. Picture Day order forms were sent home with your child today. If you are interested in purchasing pictures, please complete and return the order form with exact payment amount. These forms will be given directly to the photography company and no change will be given. You may also come into the office during office hours and fill out a form for your child if you prefer.

**Back to School Night** – We are excited to open our classroom doors to the families of ECP. Doors will open at 4:15 p.m. Please enter through the entrance that your student comes through daily (if you have multiple – pick one!). Families and students should proceed to their classroom for teacher presentations beginning at 4:30 p.m. Since we have many families with multiple students at ECP, presentations are 30 minutes long. After the first presentation is over, families should proceed to the other grade level classrooms, with presentations starting at 5:00 p.m. If you do not have multiple students, the MPR is where you will go for more general information and questions. At 5:30 p.m., all families are welcome to come to the MPR for any other questions that you may have. School will close at 5:45 p.m., so that families and staff can rest up for school the next day. Hope to see you all there!

**Family and School Communication** – We value frequent and open communication between our families and our staff, particularly with your child's homeroom teachers. We believe that this builds a strong partnership between our families and our school, as we work together to ensure your child is prepared for high school, college, and life. Please take a moment to review the attached Staff Contact List. Teachers are available via phone, text, or email to answer any question or concern you may have regarding your child. Please don't hesitate to reach out to them, and be sure to leave a voice mail or text message if you are not able to reach them. Additionally, students may call or text their teachers after school if they need additional guidance or clarification on homework assignments. Additional copies of this list will be available in our main office.

Please don't hesitate to contact your child's teachers or our office with any questions, comments, suggestions, or concerns.

Sincerely,

Dr. Rosie Carlson      Edward Morris  
Principal                      Executive Director

*Endeavor College Preparatory Charter School prepares our students with the academic skills, character traits, and intellectual discipline to excel as leaders in high school, college, and their community.*
