

Dear ECP families,

Enrollment for 2018-19 – We are now accepting applications for next school year. All current ECP students are not required to complete a new application each year. Siblings of currently enrolled ECP students receive preference in our lottery, but must still submit an application before the lottery date to reserve a seat. Families may apply in person, over the phone or online by visiting our website or Facebook. Additionally, there are still a few open seats in grades TK, K, 1st, and 6th, 7th and 8th so let your family and friends know that we are still accepting applications for this current school year, 2017-18. If you have any questions or need more information, please contact Mr. Gonzalez at (323) 816-0956.

Family Night and High School Fair – We will host Family Night for grades TK-5 on Thursday, October 19th from 4:30-5:30 p.m. We will focus on academic resources to help support your child. In addition, we will also host our annual High School Fair in the multi-purpose room from 4:00-5:30 p.m. This is a great opportunity for students and families to become more familiar with a variety of high school options including application procedures. All 6th, 7th and 8th grade scholars should plan to attend and must be accompanied by an adult. At the fair, we will also host a Choices booth where families will be able to learn more about the LAUSD's Choices Application for admission to Magnet High Schools. Families will be able to submit a Choices Application onsite. The deadline to submit a Choices Application is November 9th. The Choices Application is also open to families of students in grades 5-7 who wish to get a head start on applying to magnet high schools. Families seeking help or guidance with high school applications or the submission of a Choices Application should contact Mr. Gonzalez at (323) 816-0956.

Great Shakeout – We will be participating in the Great Shakeout earthquake practice drill this Thursday, October 19th. These drills are practiced throughout California as a way to prepare for and practice emergency procedures in the event of an earthquake. For more information, you can visit <https://www.shakeout.org/california/>.

Parent Volunteer Opportunity – Our amazing Plant Manager, Mr. Lopez and our custodians, Mr. Orozco and Mr. Urcino do a wonderful job keeping our school clean and tidy but we need additional support in making sure our classrooms also remain clean and organized. To help with this, we are organizing monthly clean-ups of our classrooms and are looking for some parent volunteers to help with this task. The first monthly classroom clean-up date will be on Friday, October 20th, after school. If you are interested in helping us tidy up our school, please contact Mr. Gonzalez at (323) 816-0956. Thank you for your support!

Please don't hesitate to contact your child's teachers or our office with any questions, comments, suggestions, or concerns.

Sincerely,

Rosie Carlson *Edward Morris*
